Profile

Master Builder is the official publication of Master Builders Queensland—the peak industry association representing building and construction since 1882. With more than 9,700 members and nine offices throughout the state, Master Builders Queensland's coverage and regional footprint is unmatched by any other industry organisation. Master Builders Queensland

membership covers builders, trade contractors, consultants, manufacturers, and apprentices from all sectors of the industry. Collectively, these members spend billions on residential, commercial, and industrial construction throughout Queensland.

Master Builder gives you the ability to promote your business alongside the trusted Master Builders Queensland brand to maximise your exposure to a wide range of industry professionals, home builders and home renovators. Whether you're promoting a new product or a branding campaign, *Master Builder* has print and digital advertising opportunities that provide cost-effective marketing solutions and can put your product or service in front of the eyes of key decision-makers.

Master Builders Queensland membership covers builders, trade contractors, consultants, manufacturers, and apprentices from all sectors of the industry.

Four times a year

Master Builder is regarded as a must-read publication for anyone in Queensland's housing and construction industry. It features the latest industry news, legislative changes, business advice, informative and entertaining profiles on members and their projects, and the latest products and services hitting the market
