

NOMINATION FORM

Housing & Construction Sector Committees

Master Builders has two main policy committees, the Housing Sector Committee and the Construction Sector Committee. These committees are responsible for providing recommendations to the Board on policy and industry wide issues, such as proposed or recommended changes to laws, codes and regulations.

Each committee is made up of between 10 and 16 members with appropriate industry qualifications and experience and an interest in industry issues. The Housing Sector Committee must include a minimum of five and no more than 50 per-cent from Greater Brisbane. The Construction Sector Committee must include a minimum of five and no more than 60 per cent from Greater Brisbane. Each committee may include up to 50 per cent trade contractor members.
