

## NOMINATION FORM

### Policy subcommittees

Master Builders has a number of policy subcommittees that are responsible for providing recommendations to the two main policy committees, the Housing and Construction committees, on policy and industry wide issues, such as proposed or recommended changes to laws, codes and regulations.

Each subcommittee is made up of between 8 and 16 members with appropriate industry qualifications and experience and an interest in industry issues. Each subcommittee may include up to 50 per cent trade contractor members.
